

# Abreaction, Every Night

Abreaction  
Miscellaneous  
Every Night

My heart was captured when I first looked at you.  
I've never seen a girl more beautiful than you.  
All the nights that we just talked,

Time would cease to exist.  
Another world away,  
You never felt so close.

So every night, I cry.  
Every night, I think,  
Why did I throw it all away?

These feelings are too hard to bury underneath.  
And you would be lying, if you didn't feel the same.  
If the sun would never shine,  
I'd feel just as blue.  
Maybe I just need some time  
To wash away these thoughts

But every night, I cry.  
Every night, I think,  
Why did I throw it all away?

All those times  
I never forgot.  
And you're wrong  
I always cared for you

The choice is up to you.  
Whatever you want.  
I never want to hurt you again.  
You again.
