

Abreal, School Prom

solo 1;
from the day we met
you saw right through me
like i was just invisible
i always dreamed
that you'd be mine for once
to see me at the school prom
and for some odd reason you asked
me to dance

chorus;
i feel like angel when im with you
like a baby bird learning to fly
like i must have known you in another life
you held me tight
even when i started to let go
and you staid with me all night
until i had to go home
a curter to twelve a clock midnight

solo 2;
and from that day
you always looked for me
until you found me
and for once you saw me
oh you saw me standing in that crowd
we danced

chorus;
i feel like an angel when im with you
like a baby bird learning to fly
like i must have known you in another life
you held me tight
even when i started to let go
and you staid with me all night
until i had to go home
a curter to twelve a clock midnight

solo 1;
twelve a clock midnight
