When I do my thing when I'm in the mood  
And if you want girl we can freak, on that dirty week  
Girl I think I'm falling for you  
Yeh, you're giving me those feelings  
You're making me go crazy  
I'm talking to you laydee  
Make me be, make me be...  
Your turning me up  
Your turning me down  
Your fooling around and around  
You turn me inside out  
Your turning me up
