

# Abscess, Deathscape In Flames

I'm Pissing Napalm All Over You  
My Head In Flames  
A Bridge of Death in View  
Brain of Throns and Bleeding Misery  
Burning Black Doom and Insanity  
Deathscape in Flames  
Nuclear Enemas  
For the Stinking Masses  
Desolation and Infected Gashes  
Shrieking Terror  
Raw and Sick and Red  
Sucks the Holes  
Out of Your Caved in Head  
Deathscape in Flames
