Abscess, Tattoo Collector

Saw a tattoo on a pretty young thing A piece of art on her back I don't think she understood When I said I have the perfect frame for that Tattoo hunter, tattoo collector I've got a wall of Kiss tattoos And a room full of just Ozzy From Black Sabbath to Randy Rhoads I've got a space saved for his smiling knees Tattoo hunter, tattoo collector I've got lots of human skin Covered in beautiful art I'd like to add you to the collection But first I must take you apart
