

Abscess, The Scent Of Shit

You're a F**king Dick
I Wish that you'd Die
Forever Live in Torture
Your Depression gets me High
Everything you are Reminds me of a Cyst
Everytime I Think of You I Smell the Scent of Shit
The Scent of Shit
The Scent of Shit
The Scent of Shit

Peel Off Your Face Stick Your Head in Gas
Drill Bit up Your Cunt Jackhammer in your Ass
Candle Burn your Nipples Off
Tongue is Torn to Shreds Such a Sight of Loveliness
You Should of Given Head
