Absu, Bestial Invasion

Early morning, mankind sleeps theres a roaring in the air inpenetrable fog Thunder rolls and lightning strikes hell storms, rush over the earth but theres no rain Hell storms, rush over the earth **Bestial Invasion** Fog cleared up, people scream they wont believe that the evil takes control Hell storms, rush over the earth **Bestial Invasion** Your time is out, obsession spreads death rules, satans law is in command Jesus Christ exists no longer You better pray to the new lord 'cause hes almighty obey him
