Pour water on thyself
Thus shalt thou be
A creator of the sun
Charon will inhibit his entrance
The fields and dwellings of relapsing ruins
Find thou thyself in every star
Achieve thou every possibility
Listen! Heed not the siren-voice of thought
The fable of river #5

Facillis descensus Acherni
Noctes atque dies patet
Atri ianua Charnus
Sed revocare gradun sperasque

There was not a formal sepulcher
Not one sector for the interment

All effects are welcome to Styx
