

Absu, The Cognate House Of Courtly Witches Lie

(Cairn Warrior's Appetency of Invultuation:)

I am the one to seek the courtly witch -
She is the one to find me.

I am the one to yearn the dazzling bitch -
She is the one to bind me.
So I say, the spell has begun!

(Tea (Courtly Witch):)

"The darkness is starting and control is done..."

(Cairn Warrior:)

Stones of power inside this sphere
are stark stones of magick -

I am joining the mystic ring,
with this woman, as we implore.

We do implore.

I am aiding the mystic writ;
I am gifted knowledge from deep wells!

(Chorus - Cairn Warrior's First Myaltic Rite:)

Candle of fire, candle of might,
Create my desires here on this night -
This candles stream is suddenly flaming higher!

Bring to me my heart's desire,
My words of strength are suddenly hung,
So I proudly state this spell has begun!

(Cairn Warrior:)

Stones of power within ire
are strong stones of cabal.

I am joined int he magick round,
with this bitch, as we implore.

We shall explore.

With Paralda by my side,
I am granted sylphs and zephyrs!

(Cairn Warrior's Second Myaltic Rite:)

Show me the rings of your cosmic fire,
Make my pathway carved and clear.

Give me a code that's no will of mine,
To show me your presence is here!

(Repeat Cairn Warrior's Second Myaltic Rite)

(Chorus II - Cairn Warrior's Last Myaltic Rite:)

Courtly witch of the beast -
Courtly bitch of the daring arm,
I am your tyro, yet never alarmed!

A dash of thistle, and in my dreams -

Give me the silver-gilt key,
That will unlock the spell...

Courtly witch, assist me!
