

# Absu, Those Of The Void Will Re-Enter

Thousand after thousand  
The years of tradition linger  
For the wisdom of magic(k)  
The supra catalyst swells  
Servants of the arcane order  
The hypnotized beings  
Can you commemorate?  
The burden of ignorance  
Clad in robes imprinted with spells  
Regress time - degenerate  
Founders of mankind,  
Come lay your claim  
Revert - Annunaki  
Those of the void will re-enter  
Clad in robes imprinted with spells  
Regress time - degenerate  
Founders of mankind...  
Regress time - Regress time  
Those of the void have re-entered!
