

Absynthe Minded, Conversation Strike Error

it don't matter what you say
everybody wants to be loved
too much bluff is hard to handle
money making hippie scandal
bathroom scenes
crappy jokes
girls with make up
nice and warm
conversation strike error
conversation strike error
conversation strike error
conversation strike

it don't matter what you see
i am just as plain as can be
cities ain't no place to stay
so i guess i'll just come along
someday
bathroom scenes
crappy jokes
girls with make up
nice and warm
conversation strike error
conversation strike error
conversation strike error
conversation strike
