

# Absynthe Minded, I Don't Buy It

What would you do  
To get to me  
Get it right  
If I only knew  
What I could do  
To make you feel at ease alright  
Completely I think you're out of sight  
What would you do  
To get through me  
Get it right!

I'm trying to deal with the cause and results are not alright  
I'm missing the love of the lord up above because I don't buy it  
I don't buy it, no

How you do?  
You look like yourself  
If I only knew  
What I could do  
To make you feel at ease alright  
And how you do?  
You look like someone else  
Yeah what would you do  
To get through me  
Get it right!

I'm trying to deal with the cause and results are not alright  
I'm missing the love of the lord up above because I don't buy it  
I don't buy it, no
