

# Abysmal, Hymn

Oh Darkness,  
I will give the throne onto him  
Of Darkness,  
I am harvesting the growth of my first spring  
Of Darkness,  
Through me you gave him the life  
Of Darkness,  
One world shadowed in me

Through you - the birth of the Pillorian Age  
Through you - the sand of the Gallow's Land  
Through you - the rest of Velvet Pilloria  
Through you - I will pass on my given oath

So I am falling my son  
For my mission is done  
My visions and you became one  
Out of my flesh...  
...you shall build the town

Gallowenia  
Gallowenia  
Gallowenia  
Gallowenia
