

# AC/DC, Are You Ready

Are you ready  
Are you ready  
Are you ready  
Are you ready

Sweet apple pie  
Standing in the street  
Hands outta line  
Looking for some meat (heat?)  
She take you high  
When you feel her sting  
She make you fly  
And you know you're coming

Who all need it - who  
Who all need it - you  
Who all need it, who all need it (yes you do)  
You all breathe it, we all need it  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time

She making eyes  
At everything she meet  
ain't it a crime  
When she make you pump heat  
She make you fly  
Because that's her thing  
She make you dry  
And you know you're broken in

Who all need it, who all need it  
(yes you do)  
You all breathe it, we all need it  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time

Get with it

Who all need it, who all need it  
You all breathe it, we all breathe it  
Are you ready for a good time  
Then get ready for the night line  
Are you ready for a good time  
Are you ready for a good time  
Are you ready  
Are you ready for a good time  
I want a good time  
Are you ready for a good time  
Are you, are you ready  
Are you ready for a good time  
Good, good, good, good time  
Are you ready for a good time  
Are you ready, ready, ready

Are you ready for a good time  
Are you ready for a good time
