

# AC/DC, Born To Be Wild

Get your motor running  
Head out on the highway  
Looking for adventure  
And whatever comes away  
Yeah, darling, go make it happen  
Take the world in a love embrace  
Fire all your guns and once in  
Explode into space  
I like smoke and lightning  
Heavy metal thunder  
Racing with the wind  
And the feeling that I'm under  
Yeah, darling, go make it happen  
Take the world in a love embrace  
Fire all your guns and once in  
Explode into space  
Like a true nature's child  
We were born, born to be wild  
We can climb so high  
I never want to die  
Born to be wild  
Born to be wild  
Get your motor running  
And head out on the highway  
Looking for adventure  
And whatever comes away  
Yeah, darling, go make it happen  
Take the world in a love embrace  
Fire all your guns and once in  
Explode into space  
Like a true nature's child  
We were born, born to be wild  
We can climb so high  
I never want to die  
Born to be wild  
Born to be wild...
