BREAKING THE RULES

For Those About To Rock (We Salute You) (1981)

(Young, Young, Johnson)

Black sheep and a renegade
Hot feet in the cool of the shade
Street shuffle and a tough childhoods
Examinations done no good
Crow bars and a hot wired cars
Sneak thieves and cheap cigars
No rebellion, not today
I get my kicks in my own way
Right, OK

Just keep on breaking the rules
Come on, get ready to rule

Tough breaks in the neighbourhood
A hard case who's up to no good
Living like trash, a society rash
Ready to break, and ready to dash
A bad deal and a real rough ride
You're doing time on the other side
No rebellion, not today
I get my kicks in my own way
Right, OK

Just keep on breaking the rules
Come on, get ready to rule

(Tough breaks)

They got regulation ties
Regulation shoes
Those regulation fools
With their regulation rules

Just keep on breaking the rules
Come on, get ready to rule

Oh take off your ties and your regulation shoes
You're nothing but a bunch of regulation fools
And you got your regulation rules
I'm going to do things my own way
Every day and every way
