BREAKING THE RULES

For Those About To Rock (We Salute You) (1981)

(Young, Young, Johnson)

Black sheep and a renegade  
Hot feet in the cool of the shade  
Street shuffle and a tough childhoods  
Examinations done no good  
Crow bars and a hot wired cars  
Sneak thieves and cheap cigars  
No rebellion, not today  
I get my kicks in my own way  
Right, OK

Just keep on breaking the rules  
Come on, get ready to rule

Tough breaks in the neighbourhood  
A hard case who's up to no good  
Living like trash, a society rash  
Ready to break, and ready to dash  
A bad deal and a real rough ride  
You're doing time on the other side  
No rebellion, not today  
I get my kicks in my own way  
Right, OK

Just keep on breaking the rules  
Come on, get ready to rule

(Tough breaks)

They got regulation ties  
Regulation shoes  
Those regulation fools  
With their regulation rules

Just keep on breaking the rules  
Come on, get ready to rule

Oh take off your ties and your regulation shoes  
You're nothing but a bunch of regulation fools  
And you got your regulation rules  
I'm going to do things my own way  
Every day and every way
