AC-DC For Those About To Rock BREAKING THE RULES For Those About To Rock (We Salute You) (1981) (Young, Young, Johnson)

Black sheep and a renegade
Hot feet in the cool of the shade
Street shuffle and a tough childhoods
Examinations done no good
Crow bars and a hot wired cars
Sneak thieves and cheap cigars
No rebellion, not today
I get my kicks in my own way
Right, OK

Just keep on breaking the rules Come on, get ready to rule

Tough breaks in the neighbourhood A hard case who's up to no good Living like trash, a society rash Ready to break, and ready to dash A bad deal and a real rough ride You're doing time on the other side No rebellion, not today I get my kicks in my own way Right, OK

Just keep on breaking the rules Come on, get ready to rule

(Tough breaks)

They got regulation ties Regulation shoes Those regulation fools With their regulation rules

Just keep on breaking the rules Come on, get ready to rule

Oh take off your ties and your regulation shoes You're nothing but a bunch of regulation fools And you got your regulation rules I'm going to do things my own way Every day and every way
