COLD HEARTED MAN

Powerage (European) (1978)

Bonus Single, LP Box Set (Aus) (1981)

(Young, Young, Scott)

No one knew
Where he came from
He never knew himself
Call her Ma
Call him Pa
But he was born to someone else
No one fooled
Or messed him around
Cause they were all afraid
Ain't no lies
Ice in the eyes
Of Leeroy Kincaid

CHORUS:

Cold hearted man
One time lover heart in his hand
Cold hearted man
And you can't trust nothing you don't understand
Cold hearted man
Cold hearted man

Like a snake
He had no friends
He didn't need no one
Hurt his pride
Deep inside
He was another mother's son
Reputation
Broken glass
Everybody prayed
For their lives on the street
Where they happened to meet
Leeroy Kincaid

CHORUS

Sometimes you can't see
The other side
It's too well hidden
For the naked eye
One time lover
With his heart in his hand
Two time loser
A broken man

Cold hearted man
