

# AC/DC, Danger

Don't talk to strangers  
Keep away from the danger  
Don't talk to strangers who smile  
Keep away from the danger all the time  
You just keep away

Red lights are flashin'  
There's been a misunderstandin'  
I'm bruised, broke an' bandaged  
Through drinkin' all that brandy  
I was under the table  
But I came back for more  
Gotta hit the bottle  
But my head hit the floor

## CHORUS:

Danger - danger, don't talk to strangers  
Stranger - danger, don't you talk  
Danger - danger, don't talk to strangers  
Danger - danger, don't talk keep away

Red lights still flashin'  
People all still dancin' in my head  
I've done with thinkin' about what to do  
Another night of drinkin', just one before I'm through  
I was just raisin' hell  
I wasn't doin' no harm  
The cops could not appreciate  
My natural charm

## REPEAT CHORUS

(Don't talk to strangers)

## REPEAT CHORUS (twice)

Don't you go talkin' to no strangers in this town
