DEEP IN THE HOLE

Flick Of The Switch (1983)

(Young, Young and Johnson)

I've been enchained  
She got shackles on me  
That woman to blame  
For the hell and misery  
Can't find my way outta here  
Shoot me down in a burnin' fear  
Goin' down for a stretch of years  
Way down below

CHORUS:

I'm deep in, deep in, deep in the hole  
Deep in, deep in, deep in the hole  
I'm down in, down in, down in the hole  
Well I'm deep in, deep in  
That woman got me deep in the hole

I'm sinking down  
She got me down on the floor  
Can't touch both walls  
The further down I go  
Pulls the strings on my violin bow  
Makes me sing when she fire my load  
Ain't no slave, you do what you're told  
You sold your soul

CHORUS

I'm deep in, deep in, deep in the hole  
Deep in, deep in, deep in the hole  
I'm down in, down in, down in the hole  
I'm down in, down in, down in the hole  
Deep in the hole, firing your load  
Deep in the hole, sell your soul  
Deep in, deep in, deep in the hole  
Deep in, deep in  
That woman got me deep in the hole  
Deep in the hole, down in the hole, I'm deep in the hole
