For Those About To Rock

EVIL WALKS

For Those About To Rock (We Salute You) (1981)  
(Young, Young, Johnson)

Black shadow hangin' over your shoulder  
Black mark up against your name  
Your green eyes couldn't get any colder  
There's bad poison runnin' through your veins

CHORUS:

Evil walks behind you  
Evil sleeps beside you  
Evil talks arouse you  
Evil walks behind you

Black widow weavin' evil notions  
Dark secrets bein' spun in your web  
Good men goin' down in your ocean  
They can't swim 'cause they're tied to your bed

CHORUS

You just cry wolf  
I sometimes wonder where you park your broom  
Oh black widow

C'mon weave your web  
Down in your ocean  
You got 'em tied to your bed  
With your dark, dark secrets  
And your green, green eyes  
You black widow

CHORUS

Evil walks so bad
