Fly On The Wall

FLY ON THE WALL

Fly On The Wall (1985)

(Young, Young, Johnson)

You can dance through the night
Rock 'n' roll music [itchin' to fight]
Makin' love drunk or stoned
Lookin' for dollars, get broken-boned
It's a game too tough to tame
Ends up the same, sweatin' out rain

CHORUS:

I was trapped like a fly on the wall
I was caged like a zoo animal
No escape from the fate that you make
You're a snake, I've had all I can take
Watch out, there's a fly on the wall

Take a chance, take a bite
Rock roll devil take me tonight
Like a bitch makin' heat
Beatin' on my chest, lickin' at my feet
It's a game too tough to tame
Ending up the same, sweatin' in the rain
So watch out there's a fly on the wall

REPEAT CHORUS (twice)
