

AC/DC, Get It Hot (Demo Version)

Mmm, ow!

No money
Easy going
Nothin' gonna get me down

Don't worry
About nothin'
Nobody gonna push me around

Young women
I love 'em
Don't matter if they're black or white
And I'm thinkin'
About you baby
And what we're gonna do tonight

Get it hot
I've got the touch and you've got the spot
Get it hot
You go in a little, gonna give you a lot
Get it hot
Your daddy said someday I'm gonna get shot
Get it hot
Here I come babe, ready or not

Cut me down
Big city
Baby let me show you 'round

Feelin' good
Feelin' pretty
Honey we can go downtown

Good livin'
Good lovin'
It's all I ever wanna do

Sun settin'
Moon risin'
I wanna make a mess of you

Get it hot
I've got the touch and you've got the spot
Get it hot
Go in a little, gonna give you a lot
Get it hot
Someday baby, I'm gonna get shot
Get it hot
Here I come, ready or not

Your mommy
Your daddy
Do ya want to marry me?

Mouth drippin'
Wild honey
Fallin' down around your knees

You got it
And I want it
We can make a fair exchange

Warm body

Wild lover
And maybe you can keep the change

Get it hot
I've got the touch, you've got the spot
Get it hot
Gonna give you a little, gonna give you a lot
Get it hot
Someday I'm gonna get shot
Get it hot
Well here I come baby, ready or not
