

# AC/DC, Girls Got Rhythm

I been around the world, I've seen a million girls  
Ain't one of them got, what my lady she's got  
She stealin' the spotlight, knocks me off my feet  
She's enough to start a landslide  
Just walkin' down the street  
Wearin' dresses so tight, and lookin' dynamite  
About to blow me out  
No doubt about it, can't live without it

The girl's got the rhythm  
The girl's got the rhythm  
She got the back seat rhythm  
The girl's got the rhythm

She's like a lethal brand, too much for any man  
She gives me first degree, she really satisfies me  
Love me till I'm legless, achin' and sore  
Enough to stop a freight train  
Or start the Third World War  
You know I'm losin' sleep, but I'm in too deep  
Like a body needs blood  
No doubt about it, can't live without it

The girl's got the rhythm  
The girl's got the rhythm  
She got the back seat rhythm  
The girl's got the rhythm

You know she moves like sin, and when she lets me in  
It's like liquid love  
No doubt about it, can't live without it

The girl's got the rhythm  
The girl's got the rhythm  
She got the back seat rhythm  
The girl's got the rhythm

She really got the rhythm  
She got the backseat rhythm  
Rock 'n' roll rhythm  
The girl's got the rhythm
