

AC/DC, Hell Ain't A Bad Place To Be

Sometimes I think this woman is kinda hot
sometimes I think this woman is sometimes not
she puts me down
she fools me around
why she do it to me
out for satisfaction
any piece of action
that ain't the way it should be
she needs love
she knows I'm the man
she gotta see
pours my beer
licks my ear
brings out the devil in me
hell ain't a bad place to be

she spends my money
she drinks my booze
she stays out every night
I got to thinkin'
hey, just a minute
somethin' ain't right
disillusions and confusion
that make me wanna cry
but how the shame you
playin' your games
tellin' me those lies
don't mind to playin' demon
as long as it's with me
if this is hell
then you can say
it's heavenly
hell ain't a bad place to be

late at night
turns down the light
closes up on me
opens my heart
tears me apart
brings out the devil in me

I said hell ain't a bad place to be
I said hell ain't a bad place to be
I said hell ain't a bad place to be
I said hell ain't a bad place to be
