

# AC/DC, Love Song

(Young, Young, Scott)

I can tell by the look in your eye  
I can tell by the way you sigh  
That you know I've been thinking of you  
And you know what I want to do

Oh Jean

When you smile I see stars in the sky  
When you smile I see sunrise  
And I know you've been thinking of me  
And I know how you want it to be

Oh Jean

I can tell by the things you say  
I can tell that you know the way  
And I know what you want me to do  
Oh, I've got hearts and flowers for you

If you leave me you'll make me cry  
When I think of you saying good bye  
Oh the sky turns to a deeper blue  
That's - that's how I'd feel if I lost you

Oh Jean
