If You Want Blood

Riff Raff

Ya see it on television every day

Hear it on the radio

Ain't humid but it sure is hot

Way down in Mexico

The police tryin' to tell me

Beginnin' of the end

Sayin' it'll bend me

Too late my friend

Riff raff

Oh well It's good for a laugh, ah ah ah

Riff raff

Gonna laugh yourself in half

We'll have a real good time

Now I'm the kind of guy that keeps his big mouth shut

But don't bother me

Somebody kickin' me when I'm up

Leaves me in misery

I never shot nobody

Don't even carry a gun

I ain't doin' nothin' wrong

I'm havin' fun

Riff raff

Oh well it's good for a laugh, hey hey

Riff raff

Go on laugh yourself in half, yeah

Oh riff raff
