RISING POWER

Flick Of The Switch (1983)

(Young, Young, Johnson)

Dog day, it's Tuesday  
Hope that girl she'll come today  
Hard life, it's a city life  
Sweat keep pourin' down  
I got my feet up, like to love  
Through the dawn till I've blown  
All I want's her lovin' now  
I love the way she move around

Need no excuse  
To let it all hang loose  
My body's for abuse

CHORUS:

Rising power, we'll raise the night  
Rising power  
Rising power, we'll wake the dead  
Rising power

(You got it)

Love life, up all night  
Darkest hour at the dead of night  
Seen her walkin' down the street  
The kind of woman that brings on heat  
Love her dusk till dawn  
Come the morning, she was gone  
Took me all to my surprise  
Money gone, left high and dry

Need no excuse  
To let it all hang loose  
My body's for abuse

CHORUS

(Gonna end up torn to shreds)

Don't need no excuse  
My body's for abuse

CHORUS

Rise, rise  
I'm gonna rise  
Rising power  
The power rise from you
