AC-DC  
High Voltage  
ROCK 'N' ROLL SINGER  
TNT (Aus) (1975)  
High Voltage (1976)  
(Young, Young, Scott)

My Daddy was workin' nine to five  
When my Momma was havin' me  
By the time I was half alive  
They knew what I was gonna be  
I left school and grew my hair  
They didn't understand  
They wanted me to be respected as  
A doctor or a lawyer man  
(But I had other plans)

Gonna be a rock 'n' roll singer  
Gonna be a rock 'n' roll star

Well I worked real hard and bought myself  
A rock 'n' roll guitar  
I gotta be on top some day  
I wanna be a star  
I can see my name in lights  
And I can see the queue  
I got the devil in my blood  
Tellin' me what to do  
(And I'm all ears)

Gonna be a rock 'n' roll singer  
Gonna be a rock 'n' roll star  
(I hear it pays well)

Well you can stick your nine to five livin'  
And your collar and your tie  
And stick your moral standards  
'Cause it's all a dirty lie  
You can stick your golden handshake  
And you can stick your silly rules  
And all the other shit  
That they teach to kids in school  
(Cause I ain't no fool)

Gonna be a rock 'n' roll singer  
Gonna be a rock 'n' roll star
