For Those About To Rock

SNOWBALLED

For Those About To Rock (We Salute You) (1981)

(Young, Young, Johnson)

Crashed out of the market, out on the floor  
Washed up on the shore  
Bombed out of the City, out of the door  
Thrown up against the wall  
Put out of the picture, axe about to fall  
Walk before you crawl  
Dragged down to the bottom, screaming for air  
The shark must get his share  
You can see it coming, miles and miles away  
Women, drink and money are going to make you pay

Snowballed, oh yeah  
Snowballed, they've done it again  
Snowballed, makin' me pay  
Snowballed

Howl of the wolf, snow in his eyes  
Waiting to take you by surprise  
Eye of the needle, head of the fight  
Watch those teeth 'cause they're ready to bite  
You can see it coming, miles and miles away  
Women, drink and money are going to make you pay

Snowballed, yes you have  
Snowballed, I've been fooled again  
Snowballed, that's all  
Snowballed

Out of my mind  
One more time
