

# AC/DC, Touch Too Much

It was one of those nights, when you turn off the lights  
And everythin' comes into view  
She was taking her time, I was losing my mind  
There was nothin' that she wouldn't do  
It wasn't the first, it wasn't the last  
She knew we was, makin' love  
I was so satisfied, deep down inside  
Like a hand in a velvet glove

Seems like a touch  
A touch too much  
Seems like a touch  
A touch too much  
Too much for my body, too much for my brain  
This damn woman's gonna drive me insane  
She got a touch  
A touch too much

She'd had the face of an angel, smilin' with sin  
The body of Venus with arms  
Dealin' with danger, strokin' my skin  
Like a thunder and lightenin' storm  
It wasn't the first, it wasn't the last  
It wasn't that she didn't care  
She wanted it hard, she wanted it fast  
She liked it done medium rare

Seems like a touch  
A touch too much  
Seems like a touch  
A touch too much  
Too much for my body, too much for my brain  
This damn woman's gonna drive me insane  
She got a touch  
A touch too much

Seems like a touch, touch too much  
You know it's much too much, much too much  
I really want to feel your touch too much  
Girl you know you're getting me much too much  
Seems like a touch  
Just a dirty little touch  
I really need your touch  
Cause you're much too much too much
