

Acappella, Let's Show And Tell

I've got some news cause I know that you care
When were you gonna tell me?
These news gotta be the best I ever could share
When were you gonna tell me?
I met the Lord, I know the Son
My life is reconstructed and my soul has been won
It's a new day - knowing His way
I'm forgiven and I'm going to heaven
I see you're pleased 'bout the news that you've heard
When were you gonna tell me?
The change I've had since I've learned of His Word
When were you gonna tell me?
He saw my need, He took me in
Now I am depending on my heavenly Friend
It's a new day - knowing His way
I'm forgiven and I'm going to heaven

Chorus:

Let's show and tell them about Jesus (Jesus)
Let's go and tell them of His love for you and me
How He walked within our shoes, died for us it is good news
Let's show and tell them about Jesus

You still believe that it's the pearl of great price
When were you gonna tell me?
And it's worth every minute, every sacrifice
When were you gonna tell me?
It's not our job to hold it in
The message of compassion and the freedom from sin
It's a pleasure none can measure
We've received it now others can believe it
Let's not waste time 'cause it's running out
When were you gonna tell them?
We know the truth and what's salvation's about
When were you gonna tell them?
It's such a joy to know the right
It's not complicated thing to show them the light
It's a pleasure none can measure
We've received it now others can believe it

Repeat Chorus

Bridge:

Only you (only you) can prevent the error of their way
Only you can prevent their loss by what you've got to say
It is time they repent or they'll surely pay the cost
It is time we repent or they'll surely all be lost

I've got some news cause I know that you care
When were you gonna tell me?
These news gotta be the best news I ever could share
When were you gonna tell me?
