

# Accept, Frankstein

Got the strangest feeling, something isn't right  
I hear peculiar sounds amidst the eerie light  
Can someone tell me, who I'm supposed to be  
I was at peace but now something's awakened me

I can feel the lightning, pulsing through these veins  
Into the bolts that are secured within this brain  
Struggling to consciousness, strapped down to this slab  
I'm so confused I don't know who the hell I am

But I'm alive, so alive  
Break these chains, Frankenstein  
I'm alive, so alive  
Forever free, Frankenstein

I'm a new creation, an intricate design  
Don't know who's skin I'm in, it sure as hell isn't mine  
I must escape these walls, and wander free  
As I roam around the town the people start to flee

I am not a monster, I am just a man  
But now you hate me 'cause you do not understand

That I'm alive, so alive  
Break these chains, Frankenstein  
I'm alive, so alive  
Forever free, Frankenstein

And now I realize just how I came to be  
Stitched up by a madman, life is killing me

I'm alive, so alive  
Break these chains, Frankenstein  
I'm alive, I'm so alive  
Forever free, Frankenstein
