Accept, Humanoid

My name is Hybrid, I stand alone Bionic implants engineered for flesh and bone Computer circuits under command Of my intelligence, I am a metal man

I am indestructible Half human, half machine Evil and invincible My heart is made of steel

Humanoid I'm a Humanoid

Forged in your likeness, my blood runs cold I am superior, I cannot be controlled I have reprogrammed internal drive You will be assimilated into the hive

Welcome to the future A flesh and blood machine I am indestructible No one can challenge me

Humanoid I'm a Humanoid Humanoid Living breathing Humanoid

We are indestructible Upgraded human beings We are undeniable The likes you've never seen

Humanoid, cybernetic dream We are Humanoid, half human, half machine Humanoid, no feelings and no soul All hail the Humanoid, we have assumed control
