Accept, Objection Overruled

Members of the jury Your conclusion has been drawn Defendants should be sentenced But you just let'em go

The city is a timebomb The judge has lit the fuse Vigilante breakout Gotta tighten up the noose

Your honour, please We want the truth - nothing but the truth Your honour, please

Objetion overruled - let's hang'em high Overruled - horsewhip'em

I call upon the nation To take the whitness' stand Too long you've stood in silence Now justice will be done

Hey you - the jury members You let the people down We trusted your sincerity One finger at the law

Your honour, please We want the truth - nothing but the truth Your honour, please

Objetion overruled - let's hang'em high Overruled - horsewhip'em

The judge's hammer falls Eruption in the court room The cry goes up:"It's anarchy!" Just stick your bloody rules

The judge's hammer falls Let's loot them out of office Some heads are gonna roll The cry goes up:"It's anarchy!"

Your honour, please We want the truth - nothing but the truth

Objetion overruled - let's hang'em high Overruled - horsewhip'em Objetion overruled - this is a travesty of justice Overruled - appeal to a higher court

Objetion overruled - let's take it to the senate Overruled - in the name of sanity Objetion overruled - are you crazy Overruled - are you crazy
