Accept, That's Rock'n'Roll

Hey, little girl - what you're doing tonight Come, have some fun - we're gonna rock today - rock today Playing on a stage on a Saturday night You heavy sound is burning in your brain - in your brain

Hey little woman - Accept tonight!
Come, rock 'n' roll and feel allright
Hey, woman - dance tonight
Hey woman - don't you fight
Hey little woman - Accept tonight!
Come, rock 'n' roll and hold me tight again

Rockin on stage like a hurricane
The sound blows in your face like dinamite - dinamite
Girl, we have a party - can't move around
Give me out of your sound - I'll get you mine - get you mine

Hey little woman - Accept tonight!
Come, rock 'n' roll and feel allright
Hey, woman - dance tonight
Hey woman - don't you fight
Hey little woman - Accept tonight!
Come, rock 'n' roll and hold me tight again

That's rock 'n' roll That's rock 'n' roll

Later in the night when the truck is on the road Rolling on a hundred miles away - miles away Sleeping on a seat of dirty truck Because you have a roar the gig next day - next day

Hey little woman - Accept tonight!
Come, rock 'n' roll and feel allright
Hey, woman - dance tonight
Hey woman - don't you fight
Hey little woman - Accept tonight!
Come, rock 'n' roll and hold me tight again

That's rock 'n' roll That's rock 'n' roll
