

Acceptance, Seeing Is Believing

Time winds down as you stretch upward to heaven
His blood resounds as it's not over precursor
They'll paint them red, those things you said
They'll paint them red, what you said

I miss you
I miss you
and I miss you
I need you
I need you
and I need you more
Can I see you
Can I see you
Can I see you now?

I want to defend
as I hold you so closely
to me
You speak of peace
How can that be?
Surround me

I can't believe
that pain received
and I can't believe
what you said

I miss you
I miss you
and I miss you
I need you
I need you
and I need you more
Can I see you
Can I see you
Can I see you now?

I felt it
You're not fading
I felt it
I'm not fading
I felt it
You're not fading
I felt it
I felt it
