

# Acceptance, Torn Inside

I can't speak,  
I'm lost for words,  
I can't hear,  
the silence burns  
a whole in  
inside of me,  
that I can't fill for the life of me.

I can't see,  
I'm blinded  
by the things you say to me are lies.  
I can't feel,  
feel you near,  
and that's because you were never here.

What am I  
supposed to do?  
How am I  
supposed to feel?  
I put my  
my trust in you,  
but life can change.

I can't see,  
I'm blinded  
by the things you say to me are lies.  
I can't feel,  
feel you near,  
and that's because you were never here.

You lied to me, you let me down,  
you turned this smile into a frown  
and now you're the only reason why,  
I find it hard to sleep at night.

I'm feeling sad, I'm feeling blue,  
I think of the past times spent with you  
and now there's nothing left to say,  
so I just turn my head away.

I can't see,  
I'm blinded  
by the things you say to me are lies.  
I can't feel,  
feel you near,  
and that's because you were never here.

You lied to me, you let me down,  
you turned this smile into a frown  
and now you're the only reason why,  
I find it hard to sleep at night.

I'm feeling sad, I'm feeling blue,  
I think of the past times spent with you  
and now there's nothing left to say,  
so I just turn my head away.
