

Accessory, One Night

Hey hey girl my eyes cross your shining way
My mouth will kiss find the way to your secret lips
Hey hey girl I'll put my hands on your ebm body
Your feeds your head your neak your breast
In trance with your erotic body

One night one day you want s e x from me
One night I say you are the only one for me
One night one day you want s e x from me
One night I say you are the only one for me

Hey hey girl dont be afraid of little bit of pain
Your red hot lips want flame my brain
Hey hey girl follow me behind my dark way
This only one night we are in trance without pay

One night one day you want s e x from me
One night I say you are the only one for me
One night one day you want s e x from me
One night I say you are the only one for me
