

Ace Enders & A Million Different People, S.O.S.

Waiting here for something
I know I'll never see
And I know I asked for some things
I could never reach
But again that thing
Just the same old me
Another place in time anyway
S.O.S. to loneliness
I got 3 whole years to sit on it
Still I wait in line
Say it's not my time
No, it's not my time
Get it up, get it and get it to go
Let it go, let it go, let it go
See my back is missing something
It takes to be a man
And I know I should say something
But I'll probably wait on it
But again that thing
Just the same old me
Another place in time anyway

S.O.S. to loneliness
I got 3 whole years to sit on this
Through our wait in line
Say it's not my time
No, it's not my time
Get it up, get up and get it to go
Let it go, let it go, let it go
I got a place in mind
I got somewhere to be
Sometimes the worst
Is letting someone see
Somebody see my luck?
S.O.S. to loneliness
I got 3 whole years to sit on this
Through our wait in line
Say it's not my time
No, it's not my time
Get it up, get up and get it to go
Let it go, let it go, let it go
