

# Ace Enders, Emergency

On Monday I'd call  
If I could even talk  
I should have known  
By Tuesday my phone  
Was ringing off the hook  
So I'm comin' home  
And sometimes  
All you need in life is emergency  
To take time and figure out what you're doing here  
And it's a shame  
To walk away from  
From everything you know  
From everything I want  
And leave you here all alone, alone, alone  
On Wednesday I'd leave  
If I could get some sleep  
I just sit and think  
By Thursday I'd hope  
It would feel more like home  
But Friday falls...  
And sometimes  
All you need in life is emergency  
To take time and figure out what you're doing here.  
And it's a shame  
To walk away from  
From everything I know  
From everything I want  
And leave you here all alone, alone, alone  
All alone  
All alone  
All alone  
All alone  
On Sundays I sit  
And remember everything  
'Cause now they're done
