

Ace Enders, Reintroduction

I've been a ghost.
I've been a question.
I've been a mirror,
A poor reflection.
I've been a myth in the passing years of my life.
I've been lost by indecision!
I've been on hold, forgotten questions!
I've been a ghost for the past eight years of my life!
And now, I surrender to you, my love.
And now, I surrender to you, my love.
The past eight years I just wasn't enough,
For your love,
For your love.
The past eight years I failed myself again,
Cause I wasn't good enough,
I just wasn't good enough.
Pass me off!
Pass me off!
Pass me off!
Pass me off!
Pass me off!
Pass me off!
