## Ace Frehley, Breakout

Been in this cell block seven years too long Payin' for a crime when I didn't do anything wrong Lyin' here rotting for someone else's mistake I've come to my senses, it's time to make a break

Breakout, I'm coming after you Breakout, I say our love is overdue Breakout, I'm at the breaking point Breakout, gonna bust out of this joint

I'm sick and tired of punchin' out license plates For a criminal justice system that I hate The food here sucks, I'm not about to wait Well I've come to my senses, It's time to make a break
