

Ace Frehley, Fox On The Run

I - don't wanna know your name
Cause you don't look the same
The way you did before
O.K. - you think you got a pretty face
But the rest of you is out of place
You looked alright before
Fox on the run
You scream and everybody comes a-running
Take a run and hide yourself away
Fox on the run
F-foxy
Fox on the run and hide away
You - you talk about just every band
But the names you drop are second hand
I've heard it all before
I - don't wanna know your name
Because you don't look the same
The way you did before
Fox on the run
