

# Ace Frehley, Fox On The Run

I - don't wanna know your name  
Cause you don't look the same  
The way you did before  
O.K. - you think you got a pretty face  
But the rest of you is out of place  
You looked alright before  
Fox on the run  
You scream and everybody comes a-running  
Take a run and hide yourself away  
Fox on the run  
F-foxy  
Fox on the run and hide away  
You - you talk about just every band  
But the names you drop are second hand  
I've heard it all before  
I - don't wanna know your name  
Because you don't look the same  
The way you did before  
Fox on the run
