

Ace Frehley, Speedin' Back To My Bbaby

I'm drivin' down the road, doin' 95 miles per hour, oh yeah
My radio's blastin' and I'm passin' cars faster and faster, aha
I'm feelin' kinda down 'cos I left her with a frown, my baby, oh yeah
We always seem to fight when things are goin' right and maybe, aha
Maybe I should turn around, maybe I should stop, maybe I should turn around

Chorus:
Speedin' back to my baby, and I don't mean maybe
Speedin' back to my baby, and I don't mean maybe

You know, maybe I should turn around, maybe I should stop
Maybe I should turn around

I'm lookin' for a station, 'cos there's no acceleration to get back, oh yeah
My gage is showin' red and my battery's dead, I'd better find one fast

The whole thing began 'cos I saw her with a man, my baby, oh yeah
I really wouldn't mind, but you know I've got my pride to think of, aha

Maybe I should turn around, maybe I should stop, maybe I should turn around

chorus

I found me a station, now I got acceleration to get back, oh yeah
She's my only girl and to me she's just the world, so maybe, aha

Maybe I should turn around, maybe I should stop, maybe I should turn around

chorus repeats out
