Ace Frehley, Time Ain't Runnin' Out

Monday mornin'
The sun wasn't out
You Were lazy
The fight last night
It didn't set right
I was hazy

But you were cool, actin' like nothin' had happened

CHÓRUS:

Time ain't runnin' out

You hurt me for the last time

(and) Time ain't runnin' out

(cuz) I'm leavin'

The thing with the stare

It just wasn't fair

You rubbed it in my face

And how do i know

When i'm not around

He's not takin' my place

I'm done with abuse

Knowing you'll never admit it to me

CHORUS:

Time ain't runnin' out

You hurt me for the last time

(and) Time ain't runnin' out

(cuz) I'm leavin'

Ì'm léavin'

I'm leavin'

I'm leavin'

Maybe someday, not far away

You'll remember this voice

Ooooohhhh maybe you won't

Maybe you can't

But you were given a choice

I was never so close

But so far away

Do you remember

Do you remember

Could you remember

Remember

CHORUS OUT
