

Ace Hood, Loco Wit The Cake

Spent thirty in tha mall
Goin loco with the cake
Five cars sittin tall
Goin loco with the cake
Ten on some Cali Bud
Goin loco with the cake
Den I hit the strip club
Goin loco with the cake
Glittered up my wrist
Goin loco with the cake
Went and Guccied up my bitch
Goin loco with the cake
Reppin five with the beams
Goin loco with the cake
I put on my whole team
Goin loco with the cake
Ay you wanna start a food fight get your attitude right
For I put this cake all in your face and have your crew like who dat is Ace Hood
You didn't know that's Ace Hood ask around in every project they say his face good
Put the range rover on them 24s I skate good specially with the paper ace all over my
Ace hood
Chain fuck a dummy I need hoes to educate me good BRAIN
Take the package up the temple come back home and get PAID
Seven Days about a week a nigga gotta get PAID
Quit yo hatin get on yo job and hoe you can get PAID
Like ace like who like me nigga that's why every bitch you tryin to fuck like me nigga

Goin loco with the cake
I rep this crack like it's chemistry got an F in chemistry
Took the white and turned it green now that's what I call chemistry
That's what I call enterprise call my work the enterprise
20 junkies beamin up tuscotti in my enterprise
Smokin in my space ship floatin through the galaxy
They callin my a shootin star leave hoes off through yo calvery
Ganstas goons and killers only niggas on my salary they all got charges pending
Murder burglaries and batteries
Niggas tryin to battle me end up finding they tragedy laided out on the floor and breathin fast and lo
Pantin? on your chevy when you scramblin ruthless than a muthafucka with hundred grand on me
