

Ace Of Base, All That She Wants(Original)

She leads a lonely life, mm
She leads a lonely life
When she woke up late in the morning
Light and the day had just begun
She opened up her eyes and thought
O what a morning
Its not a day for work
Its a day for catching tan
Just lying on the beach and having fun
Shes going to get you
All that she wants is another baby
Shes gone tomorrow, boy
All that she wants is another baby, euey
All that she wants is another baby
Shes gone tomorrow boy
All that she wants is another baby, euey
(whisper)
All that she wants - All that she wants
So if you are in sight and the day is right
Shes a hunter youre the fox
The gentle voice that talks to you
Wont talk forever
It is a night for passion
But the morning means goodbye
Beware of what is flashing in her eyes
Shes going to get you
All that she wants is another baby
Shes gone tomorrow boy
All that she wants is another baby, euey
All that she wants is another baby
Shes gone tomorrow boy
All that she wants is another baby, euey(is another baby, yeah)
Aah
Aah
All that she wants is another baby(is another baby)
She's gone tomorrow boy
All that she wants is another baby, euey(is another baby, yeah)
All that she wants is another baby(is another baby)
She's gone tomorrow boy
All that she wants is another baby, euey(is another baby, yeah)
All that she wants
All that she wants
